SECTION A: STATEMENT OF WORK

A.1 Introduction

The Government of the District of Columbia (District) is committed to supporting students in preparing for a bright future. In service of that commitment, the District is seeking to support strong nonprofit organizations that provide students with high-quality programming.

The funds available through this Request for Applications (RFA) will be awarded through the Office of Out of School Time Grants and Youth Outcomes (OST Office), located in the Office of the Deputy Mayor for Education (DME). The grant funds are provided through the American Rescue Plan and grant awards are contingent upon the availability of funds.

Learn24 is the name for the network that supports equitable access to high-quality, OST programs for the District's students. Learn24 supports coordination among nonprofit organizations and District government agencies through targeted grant-making, data collection, evaluation, and through the provision of training, capacity building, and technical assistance to OST providers. The OST Office stewards the Learn24 brand to bring awareness of the OST Office, The Institute for Youth Development, Commission on Out of School Time Grants and Youth Outcomes, higher education partners, District agencies, philanthropic partners, and the hundreds of nonprofits and schools that offer programs to students outside the school day.

Safe Passage addresses District students' safety concerns as they travel to and/or from school. It includes the Safe Spots, Safe Blocks, and SchoolConnect programs. Safe Spots are specific businesses, organizations, and faith-based organizations that will provide their business as a safe place for students and community members in case of an emergency. Safe Spots can be identified by the Safe Spot sign visible in the business window or public area. Safe Blocks includes a trusted adult presence on neighborhood routes during travel to and/or from school, conflict resolution and mediation services, and community relationship building to keep students safe. SchoolConnect provides shuttle bus service to specific schools in Wards 7 and 8.

A.2 Scope

The Fiscal Year 2023 Safe Passage Safe Blocks (SPSB) RFA invites nonprofits with strong fiscal infrastructure with a history of managing federal funds to apply. In addition, nonprofits that have strong relationships to the community, and have experience providing youth programs should apply. The RFA seeks to support nonprofits to scale and build SPSB programs in designated Safe Passage Priority Areas. The SPSB programs will place trained adults on identified safe routes for students as they travel to and from school, in libraries, and to participate in occasional District-wide violence prevention efforts, and will provide an afterschool program offering mediation and conflict resolution skill-building. The SPSB program will also support schools, school staff, students, and SPSB staff in building and strengthening community relationships.

A.2.1 Amount of Funding to be Awarded

Grant awards are contingent on the availability of funds. The grant awards are from a federal source and grantees must be able to be compliant with federal requirements. The OST Office anticipates awarding grants totaling up to \$1,500,000* in total awards for Fiscal Year 2023.

Applicants may request a maximum of \$1,000,000. In order to receive the maximum grant award, the applicant must intend to hire a minimum of 50 part-time staff to deliver the program. Any grant award over \$1 million must receive DC

Council approval¹. A provider is expected to serve multiple schools within the Safe Passage Priority Area described in section A.2.5. The OST Office maintains the right to adjust the grant award amount.

Pending the availability of funds and upon receipt of a purchase order number, grantee will invoice the District for the total grant award. Grantee will invoice the District for the first payment once the grant agreement is fully executed. The second payment and all subsequent invoices will be made via reimbursement after all required documents have been reviewed and approved by the grant manager. The final payment of not less than 5% of the grant award can be invoiced upon acceptance of the final report and a compliance review of the grant. The grantee must submit financial documentation and expense report by October 31, 2023.

D.2.8 Accountability Risk Profile

At the completion of a grant period, the OST Office shall provide the grantee an accountability risk profile ("ARP"), which shall designate the grantee as "low-risk", "medium-risk", or "high-risk".

As part of the process of making an ARP risk profile, the OST Office shall review whether the grantee met all grant agreement requirements, including program reporting and financial reporting.

The ARP risk classification will determine the amount of monitoring required for future grants and the eligibility of the grantee to apply to future RFAs or receive future grants from the OST Office.

An organization designated as “high-risk” shall not be eligible to apply for a grant from the OST Office until both: one (1) year has elapsed since the date of the designation; and two (2) appropriate documentation has been provided to the OST Office that documents the organization’s performance has improved. Performance improvement can be documented either in the form of an audit or an independent program assessment.

Dear Taxpayer:

This is in response to your Dec. 14, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in January 1977.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/ee for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
