## ABOUT THE OST OFFICE

### Office of Out of School Time Grants and Youth Outcomes

The Deputy Mayor for Education's Office of Out of School Time Grants and Youth Outcomes (OST Office), was established by the [Office of Out of School Time Grants and Youth Outcomes Establishment Act of 2016](#) to improve the educational, social-emotional, and physical health outcomes of youth, through their participation in out-of-school-time (OST) programs. The OST Office supports equitable access to high-quality, out-of-school-time programs for District of Columbia youth through coordination among government agencies, targeted grant-making, data collection and evaluation, and the provision of training, capacity building, and technical assistance to OST providers.

### OST Office Grants Management Team

The OST Office Grants Management Team is a component of the OST Office that manages all OST Office grant awards from RFA through closeout in accordance with [District Code 2-1555.04, Office of Out of School Time Grants and Youth Outcomes; requirements for awarding grants](#). The Grants Management Team is made up of a Supervisory Grants Management Specialist (SGMS), who supervises a team of Grants Management Specialists (GMS). Each GMS manages a unique portfolio of grant-awarded organizations funded via OST Office grant competitions. The SGMS reports to the Deputy Director of the OST Office. The OST Office Grants Management Team works closely with all sectors of the OST Office, including but not limited to, the Data Management team and the Institute for Youth Development.

### OST Office's Institute for Youth Development

The Institute for Youth Development (The Institute) is a component of the OST Office that focuses specifically on program quality assurance. The Institute provides various professional development opportunities, program quality improvement assessments, and technical assistance to OST programs across the District of Columbia. For more information on the Institute and professional development opportunities at no cost to OST providers, see [here](#).

### What is OST?

Out-of-School Time (OST) programs are targeted to the hours that school-aged children are not in school, including before school, afterschool, on weekends, and/or during seasonal school breaks. OST programs play a key role in the holistic development of school-aged students, providing a variety of regularly scheduled, structured, and supervised activities where learning takes place.

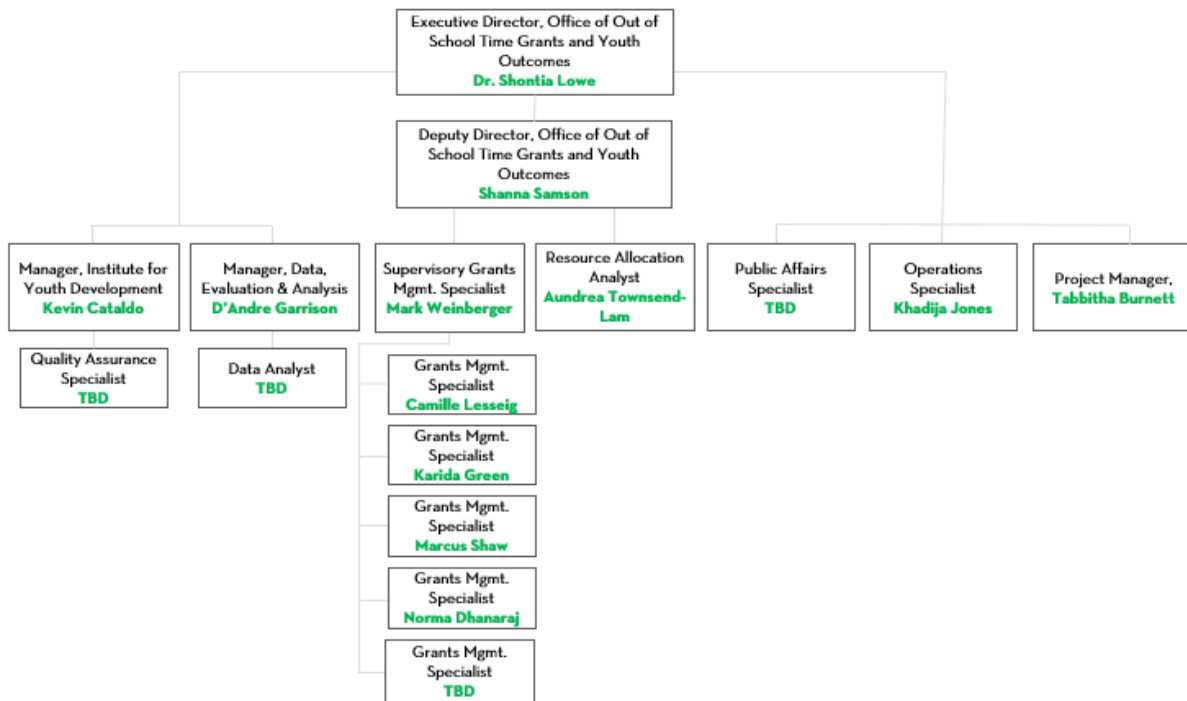

### Benefits of OST

Research has found that there are multiple benefits of OST programs for children and youth. Benefits for children and youth regularly participating in OST programs include:

- Better school attendance and engagement in learning
- Reduced behavioral issues
- Improved test scores and grades
- Decreased involvement in risky activities
- Opportunities for recreation that supports healthy development

## The Learn24 Network

The Learn24 network is the Mayor Muriel Bowser Administration's hub for all Out-of-School Time (OST) program opportunities available for school-aged (K-12<sup>th</sup> grade) children and youth during the school year and summer. Mayor Bowser launched the Learn24 network in 2017, to foster better coordination between public agencies, schools, service providers, and funders facilitating OST programming, replacing a fragmented patchwork of service providers.

The OST Office, the largest OST grantmaking entity in DC government, leads the Learn24 network. In addition to the OST Office and OST Commission, membership of the Learn24 Network includes the Office of the State Superintendent of Education (OSSE), DC Public Schools (DCPS), DC Public Charter School Board (DCPCSB), Department of Parks and Recreation (DPR), DC Public Libraries (DCPL), Department of Youth Rehabilitation Services (DYRS), nonprofits funded by DC government to provide OST programming, amongst others.

Organizations receiving funding from the OST Office are a part of the Learn24 network and are considered ambassadors of the Learn24 network brand. Please adhere to the following guidelines when using the Learn24 network logo:

### Learn24 Network Acknowledgement

Organizations that receive funding from any Learn24 Network partner ("Grantees"), should place the Learn24 logo on the organization's website to acknowledge that the program is a part of the Learn24 network.

### Learn24 Use of Logo

Grantees may use the logo on program materials during the grant period for items such as:

- Program page of organization's website
- Program recruitment flyers and posters
- Registration packets
- Program booklets or final showcase

Logo use and limitations:

- There is no space between Learn and 24. The brand should always be printed as "Learn24".
- Ensure the logo proportions remain intact and are not distorted in any way. Do not stretch logos horizontally or vertically in any capacity. Scale each logo proportionally ONLY, i.e., with mirror height and width percentages being equal to the original size.
- The logo colors should remain in tact. Do not use different colors, shades or percentage screens of the colors.

The logo may **not** be used on:

- Fundraising materials
- Physical structures for capital improvements
- Political agendas or materials
- Non-issued OST Office clothing (i.e., t-shirts, hats, bags, etc.)

**Grantees must seek approval to use the logo on program specific items** by sending the draft document or proof by email to [Learn24@dc.gov](mailto:Learn24@dc.gov).

### Learn24 Network Newsletter

The Learn24 Network newsletter provides information and resources related to OST programming and youth development taking place across the District. Sign up for the Learn24 Newsletter at [Learn24.dc.gov](https://www.learn24dc.gov).

If you would like your event or program information included in the newsletter, please submit it 5 business days before the newsletter is released. The Learn24 newsletter is distributed twice a month, every first and third Monday. Organizations can submit content by sending an email to [Learn24@dc.gov](mailto:Learn24@dc.gov).

### Learn24 Network Event Calendar

If you would like your event posted to the event calendar located on the Learn24 website, we ask that you submit a full list of events prior to the start of each month. Organizations can submit content for inclusion on the website's events calendar by emailing [Learn24@dc.gov](mailto:Learn24@dc.gov).

## OST GRANTS

### Purpose

The purpose of OST grants is to fiscally support nonprofit organizations that provide out-of-school time programs for children and youth residing within the District of Columbia. Grants are awarded in a manner consistent with the current [OST Commission's Strategic Plan](#), with particular attention to the strategic plan's goals and priorities for serving at-risk and other target youth populations, geographic distribution of out-of-school-time programs, and program quality.

### Scope of OST Grants

OST Office funds high-performing, fiscally responsible, nonprofits that focus on youth development and that serve school aged children and youth through their OST programs. Organizations must serve youth with a **positive youth development** approach.

Grant funds may only be used to serve school-aged children and youth, grades K-12 who reside in the District of Columbia and/or are eligible to attend a DC public school, including youth in DC foster care or in DYRS/CFSA group homes located outside of the District. Grant funds may also be used to serve individuals 21 years of age or less who are eligible to enroll in a District primary or secondary school, and individuals of 22 years of age or less who are eligible to receive special education services from a local educational agency.

Year-over-year total and individual grant awards are contingent upon the availability of funds. The maximum amount to be awarded per grant varies by competition. Organizations may not receive more than \$50,000 in any fiscal year from the District without providing either:

- 1) A clean, external audit conducted within the last two years by an independent CPA if organization revenue is over \$250,000; or
- 2) A [financial review](#) conducted within the last two years by an independent CPA if organization revenue is less than \$250,000 (small non-profit).

### Youth Development Outcomes

**Youth Development** is a process that prepares youth to meet the challenges of childhood, adolescence, and young adulthood whilst achieving their full potential, by offering activities and experiences that help youth develop social, emotional, physical, cognitive, and spiritual competencies.

**Positive Youth Development** is a proven theory and practice where youth are engaged within their communities, schools, organizations, peer groups, and families, in a manner that is productive and constructive. Positive youth development recognizes, utilizes, and enhances youths' strengths and promotes positive outcomes for youth by providing opportunities, fostering positive relationships, and offering supports to build on youth's strengths and assets.

**Connection to grants-** The intent of OST grant competitions is to support high-quality nonprofits that offer educational, social, emotional, and/or physical health opportunities and activities for youth throughout the District. The OST Office seeks to fund youth-serving organizations that provide intentional opportunities that help youth reach positive youth developmental outcomes through meaningful roles and experiences in their community.

Programs must make responsible efforts to protect the confidentiality of disposed program records in such a way as to protect the identity and privacy of program participants. When needed, all confidential paper records and data will be destroyed by secure destruction. Electronic records shall be properly purged, deleted, overwritten, and physically destroyed where possible.

### Access to Equipment

Upon request from the OST Office, grantees must provide access to any equipment purchased with OST Office grant funds and/or provide documentation of the destruction/loss of the equipment.

### Grant Amendments

Grantees must submit any proposed program and/or budget modifications in writing to their assigned GMS for review and approval. The GMS will facilitate the generation of an amendment for completion and submission by the grantee in Cityspan. The amendment must be approved via signature by the OST Office’s Executive Director in Cityspan prior to the grantee making any modifications to the grant program or budget. Grantees interested in an amendment should contact their assigned Grants Management Specialist.

**Budget Modifications** - Any budget change of 10% or more within any budget category requires pre-approval from your assigned OST Office GMS via a budget amendment request and approval. Budget changes of 10% or less within any specific budget category may be made without pre-approval.

### Progress Reports

Progress Reports, generated in Cityspan, are an indication of a grantees overall performance and compliance status at given points in time, including automated outcomes data based on actual program services compared to outcomes proposed in the grantee’s executed grant agreement. Grantees are required to complete narrative responses documenting progress made towards grant objectives, successes and challenges, submitting them through Cityspan by the deadlines established by the OST Office. The number of progress reports required and the timelines for submission are based upon the grant cycle, as follows (subject to change and/or updates):

<b>SCHOOL YEAR GRANTS</b>	
<b>Mid-year Report</b>	January/February
<b>End of the School Year Report</b>	June/July
<b>YEAR-ROUND GRANTS</b>

### Youth Data Accuracy

To ensure data accuracy for the youth served using OST grant funds, grantees must strive to ensure all appropriate youth data is complete in the Youth Profile, including:

- Youth first and last name
- Address
- Ward of residence
- Birth date
- Gender
- Grade
- Attending School

This data is essential for accountability, resource allocation, and advocacy on behalf of grantees as they illustrate the impact your programs have on DC’s school-aged youth. In particular, Student IDs is the best medium for data collection for the OST Office as it allows us to streamline the data collection process, enhances data integrity, and ultimately supports the illustration of the impact of OST Office-funded programs.

**Student IDs** - Student IDs help ensure the OST Office is able to match program data with school records, ensuring consistent and reliable reporting on student outcomes. A student’s ID number can be found in many locations, some of which are listed below. The image shows a sample DCPS report card, and the student ID is highlighted.

- Progress report or report card
- On a student’s ID card
- On a student’s Individualized Education Plan (IEP) or Section 504 Plan
- On a student’s school schedule
- May be used as a log in for a school-based device or for lunch
- On the ASPEN Parent Portal, PowerSchool Parent Portal, or another system a school uses to record attendance and grades
- On a student’s My School DC Lottery Application
- Call the students’ school and ask for their ID number

### Youth Enrollment

Grantees must serve at least 85% of the proposed number of youth agreed to be served in the executed grant agreement. The minimum number of youth that a grantee must serve during an OST program period is dependent upon various factors, including the grant competition, size of the organization, and total amount of funds requested/awarded, as follows:

<b>SCHOOL YEAR GRANTS</b>	
<b>OST Organizations requesting up to \$99,999</b>	Must serve a minimum of <u>fifty (50) unduplicated youth</u> residing in the District by the end of the program period (with the exception of small nonprofits)
<b>OST Organizations requesting \$100,000+</b>	Must serve a minimum of <u>sixty (60) unduplicated youth</u> residing in the District by the end of the program period (with the exception of small nonprofits)
<b>OST Small Nonprofit Organizations</b>	Must serve a minimum of <u>fifteen (15) unduplicated youth</u> residing in the District by the end of the program period; Specific to nonprofits with an annual revenue of \$250,000 or less
<b>My Afterschool DC (MADC)</b>	Must serve a minimum of <u>twenty (20) unduplicated youth</u> residing in the District by the end of the program period (with the exception of small nonprofits) at \$2,500 per student served

<b>YEAR-ROUND GRANTS</b>	
<b>OST Organizations requesting up to \$99,999</b>	Must serve a minimum of <u>fifty (50) unduplicated youth</u> residing in the District by the end of the school year (with the exception of small nonprofits) and a minimum of <u>twenty (20) youth</u> must also be served during the summer program; Youth served during the summer program may be the same youth served during the school year
<b>OST Organizations requesting \$100,000+</b>	Must serve a minimum of <u>sixty (60) unduplicated youth</u> residing in the District by the end of the school year (with the exception of small nonprofits) and a minimum of <u>twenty (20) youth</u> must also be served during the summer program; Youth served during the summer program may be the same youth served during the school year

<b>OST Small Nonprofit Organizations</b>	Must serve a minimum of fifteen (15) <u>unduplicated youth</u> residing in the District by the end of the school year and a minimum <u>of fifteen 15) youth</u> must also be served during the summer program; Youth served during the summer program may be the same youth served during the school year; Specific to nonprofits with an annual revenue of \$250,000 or less
<b>YEAR-ROUND SPECIAL COMPETITION GRANTS</b>	
<b>College and Career Mentorship</b>	Must serve a minimum of <u>100 unduplicated youth</u> across the program period who are between the ages of 11-18, identified as at-risk, and residing in the District

<b>Summer Strong DC Small Nonprofits</b>	Must serve a minimum of fifteen (15) <u>unduplicated youth</u> residing in the District throughout the program period; Specific to nonprofits with an annual revenue of \$250,000 or less

### Targeted Populations

Grantees must serve the proposed percentage of youth in each target population that is proposed to be served. For more information on Target Populations, [see page 9](#).

### Slot Reservation for Youth Experiencing Homelessness

At any time during the programming period, the OST Office may notify grantees of the need to add youth experiencing housing insecurity to the OST program. Grantee will have the opportunity to discuss this with the OST Office before youth are enrolled.

### Youth Attendance

Grantees must enroll all youth into a minimum of one activity within Cityspan. Youth participation in the enrolled activity(ies) must be entered by the grantee into Cityspan on a weekly basis (or a monthly basis for one-on-one programming). Grantees must strive to ensure an average weekly attendance of 85% or greater across the grant program period. This measure demonstrates that active youth are participating in the OST program no less than one day per week.

## Personnel Requirements

### Adult-Youth Ratio

- OST Office grantees must maintain a minimum ratio of one (1) adult to every fifteen (15) youth ages five (5) to seventeen (17) at all times, for their OST Office funded programming, unless a lower ratio is required by Mayor's Order.
- Organizations providing services to court-involved youth should also maintain a minimum adult to participant ratio of at least 1:15, unless a lower ratio is required by the District.

### Background Check Guidance

Grantees and subgrantees must ensure all adult program staff (paid and unpaid), volunteers, or contractors who have supervised or unsupervised interactions, in-person or virtually, with youth receive the following background checks in order to comply with the District of Columbia's Criminal Background Checks for the Protection of Children Act of 2004, [DC Code §§ 4-1501.01 – 4-1501.11](#) and other OST Office requirements:

- Federal Bureau of Investigation (FBI) National Criminal Background Check, and
- National Sex Offender Registry (NSO) Check.

The criminal history of all individuals will be considered on a case-by-case basis to determine whether he or she is suitable to serve as program personnel/direct service providers. To make this determination, each criminal offense will be considered in the context of:

- The specific duties and responsibilities of the position;
- The bearing, if any, the derogatory information has to those duties and responsibilities;
- The length of time that has passed since the criminal offense(s);
- The age of the individual at the time of the criminal offense(s);
- The frequency and seriousness of the criminal offense(s);
- Any mitigating information provided by the individual in response to the derogatory information;
- The contributing social or environmental conditions; and
- The District's policy supporting re-entry of ex-offenders into its work force.

No individual may hold a position that has direct contact with children or youth, if he or she has been:

- Charged with child abuse or any sexual offense(s) involving minors

And, for such offense(s):

- Was convicted, pleaded guilty, pleaded nolo contendere, placed on probation before judgment, or otherwise placed on a stet docket; or;
- Was found not guilty by reason of insanity.

Any grantee that employs personnel through the use of OST Office grant funds must complete their due diligence to ensure employees, volunteers, and contractors are suitable for hire through a background check that is facilitated by:

- **A government agency** including District of Columbia Department of Human Resources (DCHR), the District of Columbia Public Schools (DCPS), the Office of the Superintendent of Education (OSSE) or the United States Federal Government.
  - NOTE: Grantees working onsite at DCPS facilities must complete the DCPS background clearance process.
- **An approved background check agency** who conducts a fingerprint check and provides results for a Federal Bureau of Investigation (FBI) National Criminal Background Check, and National Sex Offender Registry (NSO) check.

Final employment suitability determinations are made by DCHR, DCPS, or another OST Office approved background check agency, with determinations based on the OST Office’s grant agreement for the applicable fiscal year.

Grantee personnel may not interact with youth in an “unsupervised,” capacity as a staff member / volunteer whilst waiting on the results of all required background checks. If a grantee is awaiting results for certain individuals, and they are actively performing work duties, they should at all times be in the presence of a supervisory staff member who has completed the clearance process and who was determined suitable.

All background clearances must be valid for the duration of the grant period and renewed prior to expiration, must align with the program site requirements (DC Public Schools, DC Public Charter Schools, etc.), and they must be uploaded into Cityspan or other OST Office designated data sharing systems during the timeframe stipulated by the OST Office.

Employees, volunteers, or contractors may not work with youth unsupervised until the background clearance results are returned with the appropriate clearances as determined by the grant agreement, and the organization must maintain proof of background check clearance submission and the appropriate clearances within the personnel file at all times.

One-day visitors, guests, and volunteers shall always be under the direct supervision of a staff member with all appropriate clearances, and they are exempt from the background check requirements.

In the event that a prospective or existing staff, volunteer, or contractor has a background check returned with an issue or indication of past criminal history, the said result must be communicated to the Grantor within two (2) business days. Said staff, volunteers, or contractors involved may not have interactions with youth until suitability determinations have been made by DCPS, DCHR, or another OST Office approved background check agency.

**The safety of our youth is extremely important. Grantee’s failure to comply or failure to complete background checks may result in delayed payment, termination or suspension of grant, or repayment of grant funds. Non-compliance may affect grantees’ eligibility to be funded for future competitions or within the existing grant cycle.**

### OST Subsidized DCHR Background Checks

The OST Office covers the cost of Background Checks through DCHR for staff, contractors, and volunteers working with OST-funded programs.

For subsidized Background Checks, email [backgroundcheck.learn24@dc.gov](mailto:backgroundcheck.learn24@dc.gov) and provide the following information for each individual(s) needing to be cleared:

- Full, legal name that appears exactly as they do on their Driver’s License or ID cards;
- Email address; and
- OST organization name.

A detailed email with instructions will be forwarded to the individual(s).

Please ensure staff/volunteers complete each step in process:

- Register in TrueScreen’s Application Station. This must be done within 30 minutes of the initial email.
- Schedule a FieldPrint appointment to submit fingerprints
- Submit fingerprints in a timely manner

DCHR Suitability checks will be returned to the OST Office. The OST Office will forward results to grantee points of contact who initially requested their personnel to undergo the clearance process. Grantees must upload all completed DCHR background clearances to the DCHR upload prompt in the appropriate staff profiles within

Cityspan. Grantees must redact Personally Identifiable Information (PII) from the returned Criminal Background Checks prior to uploading to Cityspan, including Social Security Numbers (SSN). Redaction can be done through generic photo / paint programs and should entail a black highlight or marker function to “black out” any PII.

Questions? Email: [backgroundcheck.learn24@dc.gov](mailto:backgroundcheck.learn24@dc.gov)

### **OST Program Staff at DCPS/OSSE Facilities**

Grantees with personnel that will be providing programming at a District of Columbia Public School (DCPS) facility, or a DC Office of the State Superintendent for Education (OSSE) Licensed Child Care Center must follow the policies and procedures established by DCPS and OSSE, respectively.

Grantees must upload copies of the DCPS and/or OSSE clearance letters or current DCPS staff badges into Cityspan. If the OST Grantee hires staff that are DCPS employees, a photograph of a non-expired DCPS ID badge will suffice for clearance process completion. That photograph should be uploaded to the DCPS clearance prompt within that staff member’s profile in Cityspan.

### **DCPS Program Sites**

If the OST Office grantee operates at a DCPS site and their staff/volunteers/contractors are not DCPS employees, they will need to undergo the DCPS clearance process. Upon completion, a clearance verification letter will be provided by the DCPS Clearance office and should be uploaded to the DCPS clearance prompt within that staff member or volunteer’s profile in Cityspan.

- See [here](#) for DCPS Fingerprinting and Badge Process and requirements.
- DCPS Background Check application may be completed online at <https://octo.quickbase.com/db/bg37a864v>.
- Questions? Email: [dcps.clearance@k12.dc.gov](mailto:dcps.clearance@k12.dc.gov).

### **Other Background Check Methods**

As part of hiring/onboarding, many organizations conduct background screenings via independent vendors. Clearances from these vendors are accepted by the OST Office if they include: FBI clearance (federal and state criminal databases) and NSO search. For a list of preferred methods, please see [Appendix 2](#). Should a criminal check return with a conviction(s), suitability for employment must be determined by the District’s General Counsel Office, or other authorized agency, adhering to the suitability criteria outlined in [DC Code §§ 4-417.1-4-417.5](#).

### **Background Check Affidavit**

All background check results are valid for two (2) years. However, the OST Office requires that twelve (12) months after a background check result’s issue date, OST grant-funded staff / volunteers complete, sign, and have witnessed an Affidavit confirming that there have been no changes in their criminal background history that would disqualify them from working with youth in the District of Columbia. The signed affidavit must be uploaded into Cityspan twelve (12) months after the background check result’s issue date. If a staff / volunteer has had any changes to their criminal background history preventing them from signing the Affidavit, they will be required to complete a new background check to ensure continued suitability for working with District youth. For a copy of the required Affidavit, please see [Appendix 3](#).

### **Mandated Reporter Training**

Mandated reporters are professionals obligated by law to report known or suspected incidents of child abuse and neglect. Grantees must ensure that all OST Office funded program sites have at least one (1) personnel trained as a Mandated Reporter present during all program hours from the first day of programming to the last day of programming. The certificate(s) of completion of the mandated reporter training must be provided during monitoring visits and uploaded into the correlating staff profile in Cityspan within the Mandated

Reporter upload prompt, near the bottom of that profile. The mandated reporter must also have all current background clearances uploaded into Cityspan or any other designated OST Office data sharing system.

In addition, grantees must have procedures in place that detail how staff, volunteers, or contractors are informed or trained for suspicion of abuse and neglect, and how to contact the organization’s mandated reporter. This will be confirmed during site monitoring visits.

Access the training here or at <https://dc.mandatedreporter.org>. The training is free, online, and requires a valid email address. Allow two (2) hours for completion. This training does not expire, but certificates must remain on file with organization.

### First Aid/Cardiopulmonary Resuscitation (CPR) Certification

Grantees must ensure that all OST Office funded program sites have at least one (1) personnel with current Cardiopulmonary Resuscitation (CPR)/First Aid Certification present during all program hours from the first day of programming to the last day of programming. The certificates(s) of completion of the First Aid/CPR training must be provided during monitoring visits and uploaded into the correlating Cityspan staff profile within the CPR / First Aid upload prompt at the bottom of that profile. The trained First Aid/CPR personnel must also have all current background clearances uploaded into Cityspan or another designated OST Office data sharing system.

In addition, all OST program staff must be aware of the location of the trained First Aid/CPR personnel on-site and Grantees must have procedures in place for staff and youth to contact First-Aid/CPR trained staff in the case of an emergency. This will be confirmed during site monitoring visits.

The trained employee on site does NOT need to be an employee of the organization. Examples of non-staff, include school nurses. These individuals still need to be identified as “volunteer” personnel in Cityspan and their current First Aid/CPR certificate should be uploaded in the staff module of Cityspan.

First Aid/CPR expires after two years. Training should be completed in person and opportunities through DC Fire/EMS department can be found [here](#).

### Personnel Requirements at-a-Glance

Requirements for personnel are outlined below:

Requirement	Expires After	Required for
Background Clearance	2 years	All adult staff, contractors, or volunteers working with youth
Affidavit	1 year	All adult staff, contractors, or volunteers working with youth one year <u>after</u> clearance issued.
Mandated Reporter Training	N/A	One staff per program site
First Aid/CPR	2 years	One staff per program site

## Quality Assurance Requirements

Quality trainings, assessments, and site visits are part of the technical assistance provided to grantees by the OST Office’s [Institute for Youth Development](#).

### Site Visits

Grantees must participate in annual programmatic site visits. At least one (1) site visit will be scheduled in advance by the OST Office. Unscheduled programmatic visits are possible throughout the grant period. Site

visits should view regular programming, not special performances. No site visits should be scheduled during tutoring, homework help, or snack/mealtime.

Site visits are conducted by the OST Office to assess the quality of programming as it relates to safe and supportive environments, youth interaction and engagement. Site visits are conducted by OST Office staff and trained contractors for all grant-funded organizations that:

- Offer direct OST program services to youth
- Are a new grantee with the OST Office
- In the initial year of a grant cycle
- Scored below the performance threshold in the previous grant year

On a case-by-case basis, the suitability of site visits for grant-funded organizations may be considered based on the nature of OST program services, e.g.- programs offering only one-on-one services may be deemed unsuitable for a site visit at the discretion of the OST Office.

To better understand what is assessed and/or to prepare for a Site Visit, please see the OST Site Visit Form in [Appendix 4](#).

### Quality Trainings

Trainings offered through the OST Office’s Institute for Youth Development are available for every level of OST staff, from front-line providers to program managers to executive directors. While grantees are strongly encouraged to participate in an array of free professional development offerings, participation in the following trainings are **required annually** of all grantees, unless deemed exempt by the OST Office:

- **Program Quality Assessment (PQA) Basics Training** - All Grantees must participate in the Program Quality Assessment (PQA) Basics Training facilitated by David P. Weikart Center and offered by the OST Office. This is a full-day training and is usually offered during late January timeframe. Details will be provided in the fall.
- **Special Needs/Underserved Populations** – All Grantees must participate in a minimum of two (2) trainings per program year focused on supporting youth with special needs (students with disabilities and/or English Learners) or other underserved populations (youth who are economically disadvantaged, experiencing homelessness, in foster care and/or identify as LGBTQIA+). The Institute will offer a variety of trainings throughout the year that will satisfy this requirement. Certificates of Completion will be issued for all Institute trainings. The number of required trainings per grantee per year related to special needs/underserved populations may be updated at the discretion of the OST Office.

Grantees may meet this requirement through participation in a professional development session other than those offered by the Institute for Youth Development. However, the grantee must acquire approval from the OST Office’s Institute for Youth Development, including a description of the training and the number of hours in their request to the Institute, prior to taking the training. The Institute will confirm whether the training content meets the expectations of the special needs/underserved population training requirement. Upon training approval from the Institute, the grantee will also need to obtain proof of participation in the training to demonstrate they have met the attendance requirement.

## Quality Assessments

The Institute for Youth Development utilizes Weikart’s Program Quality Assessment (PQA) as the framework to support OST program quality. The PQA is a validated instrument designed to measure the quality of youth programs and identify staff training needs. It assesses the following domains: safe environment, supportive environment, interaction, engagement, youth-centered policies and practices, high expectations for youth and staff, and access.

All grantees, unless exemption is provided by the OST Office, are expected to show a commitment to quality programming and continuous improvement, through the completion of the PQA that has been conducted at a minimum of one (1) program site annually.

The OST Office utilizes two PQA tools based on the grade level of youth:

- Youth Program Quality Assessment (YPQA) (grades 6th-12th)
- School Age Program Quality Assessment (SA-PQA) (grades K-5th)

Evidence for the PQA is gathered through observation and interview. Program staff and an outside specialist observe program activities, take notes, and then conduct an interview with a program administrator. Notes, observations, and interview data are used as evidence to score items. Scores are combined to create an overall program quality profile and plan for improvement.

## Quality Cohort

Optional: Grantees may elect to participate in the voluntary Quality Initiative Cohort offered by the Institute for Youth Development each year. The Quality Cohort consists of additional support for grantees to include a PQA external assessment, and Scores Reporter, Planning with Data and Quality Coaching workshops, along with the development of a program improvement plan and workshops to support program staff for quality improvement. For additional information, contact [Learn24@dc.gov](mailto:Learn24@dc.gov).

## Youth Surveys

Youth voice is a critical component of assessing OST program quality. Youth Surveys determined by the OST Office must be administered by grantees to all program participants in 4th grade and above who have parental consent, unless exemption is provided by the OST Office.

- **School Year / Year-round Grantees** – Must administer the survey once within the final four (4) weeks of the school year program, unless deemed exempt by the OST Office.
- **Summer Strong Grantees** – Must administer the survey once prior to the end of the summer program period, unless deemed exempt by the OST Office.

To meet compliancy requirement, grantees must administer student surveys to a minimal number of participating youth, as follows:

- **Grantees with up to one hundred participating youth (20-100 youth)** – Must ensure 85% of all participating youth in grades 4 and above with a signed Youth Survey consent on file, complete the OST youth survey, unless deemed exempt by OST Office.
- **Grantees with over one hundred participating youth (101+)**– Must ensure 50% of all participating youth in grades 4 and above with a signed Youth Survey consent on file, complete the OST youth survey, unless deemed exempt by OST Office.

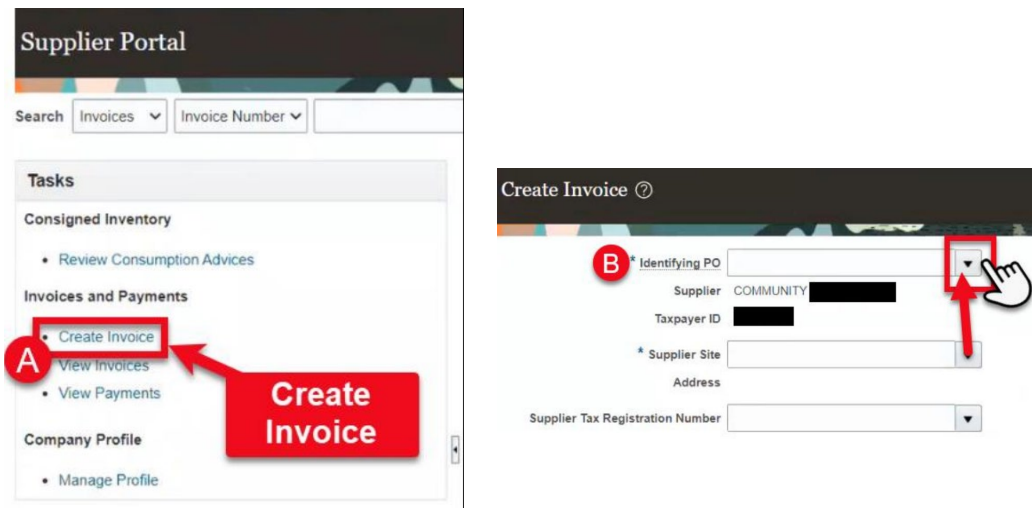

Most common issues with invoices that GMS should review for accuracy:

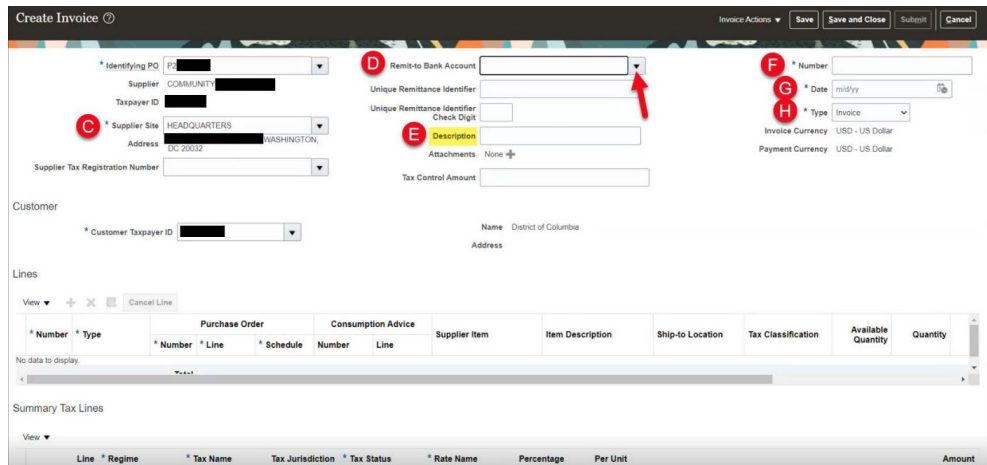

- Wrong service dates/program periods
  - First invoice may be for full grant period (i.e., October 1-September 30)
  - Subsequent invoices should be through the current date; cannot include future dates
- Reusing an invoice number (all invoices must utilize a unique invoice #)
- Incorrect dollar amount
- Incorrect PO number

### Creating DIFS Invoice

- Grantee goes to the [Supplier Portal page](#) and follows the following steps:
  - A) Click “Create Invoice”
  - B) Identify and click on the Purchase Order. The Supplier Site information will default.

C. Verify the Supplier Site is the address for the invoice. Select a different site if needed.

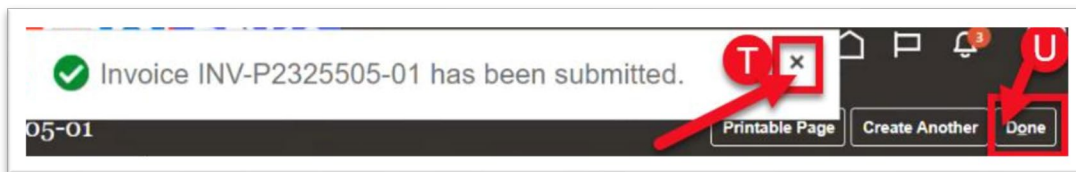

- E. **Description** must include service period dates matching the grant agreement and the Learn24 invoice approved by your GMS that you must attach here.
- F. Enter the invoice number (which must match the attached Learn24 invoice #).
- G. Enter the document date (which must match the attached Learn24 invoice date).
- H. For type, select **Invoice** from the dropdown menu.

S. Click the **Submit** button to submit the invoice for approval.

\*If you need to come back and complete the invoice later, click the Save and Close button. The invoices will save, and the Create Invoice page will close.\*

T. Click on the **X** on the message window to close the message.

U. Click on the **Done** button.

- Once approved by the OST Office, the invoice then goes to the assigned Accounts Payable representative at OCFO for approval or rejection.
- Once OCFO receives the invoice, they have 30 days to pay or return for revision.
- If rejected, Accounts Payable provides rationale for rejection to the OST Office who works with grantee to rectify and re-submit the invoice.
  - If rejected by OCFO, the revised invoice must include a new invoice number. Grantee may simply add “v2” to end of initial invoice number to indicate version 2 of the invoice.
  - Note, the 30-day timeframe for OCFO pay out starts over each time an invoice is resubmitted).
- All invoices should be submitted into DIFS by the established deadlines and paid out in full by the end of each grant period. Failure to invoice or failure to invoice accurately and without the required information or supporting documents may result in delayed payment, denied payment, or forfeiture of grant award.
- All invoices are subject to the availability of funds provided by the Government of the District of Columbia.

## Audit/Fiscal Reviews

Grantees may not receive more than \$50,000 in any fiscal year from the District without providing either 1) a clean audit conducted within the last two years by an independent CPA if organization revenue is over \$250,000; or 2) a financial review conducted within the last two years by an independent CPA if organization revenue is less than \$250,000.

If the results of an audit are not returned “clean” or “fairly presented”, the grantee will be subject to the immediate termination of the agreement at the discretion of the OST Office.

If an audit or fiscal review is unavailable, the organization may (if outlined in competition guidelines) demonstrate evidence that a CPA is under contract/a letter of engagement must be submitted to indicate the intent to perform the audit or financial review by the established deadline within the competition. The audit or financial review, or letter of engagement must be included within the grant application.

## Financial Management

Grantees shall expend grant funds solely for the purposes of administering and carrying out the projects and program activities described in their Grant Agreement and Addendum. Grant funds may only be used to serve school-aged youth in grades K-12th. Individuals over the age of 18 are only permitted if eligible to be enrolled in high school or receive special education from a Local Education Agency.

Grantees must track the grant funds separately from other sources of funding. Eligible expenses may not be incurred outside of the grant period.

Grants funds used to purchase equipment must comply with [2 CFR §200.313](#) and [2 CFR §200.439](#), and if applicable [2 CFR §200.318](#), general procurement standards.

OST Office has the right to reduce any balances or amounts due to grantee, or to request for funds to be returned under the terms of this Agreement if it has been determined that other District funds or grants have been used for any unallowable expenses and/or due to lack of sufficient documentation.

## Grant Fund Limitations

**Grantee agrees not to use any portion of the grant or any income derived from the grant for the following purposes:**

Serving youth from other jurisdictions; any program other than the one described in the application; serving youth outside of the definition provided by the Out of School Time Grants and Youth Outcomes Act D.C. Additionally, if the source of funding is federal funds, Grantee must comply with allowable costs under 2 CFR §200.400 et seq.

## Financial Documentation

Grantees shall establish and maintain books, records, and documents (including electronic storage media) in accordance with Generally Accepted Accounting Principles (GAAP), which sufficiently and properly reflect all revenues and expenditures of grant funds awarded by the OST Office.

If an audit is required by federal law, and if the grantee is also the recipient of District of Columbia funds under the same or a separate grant program, then the District-funded programs will also be included in the scope of the federally required audit.

## Method of Payment

Grantees must be registered and approved in the District Integrated Financial System (DIFS) or other OST Office-approved financial system to receive grant funds distribution. Grantees are responsible for invoicing the District for disbursements of grant funds. ## GRANT ACCOUNTABILITY & CLOSEOUT

Accountability reviews document OST Office grantees overall performance rating as it relates to compliance and overall outcomes for the grant period.

### Accountability Ratings

Accountability Ratings are based on the overall compliance percentage achieved by a grantee. Accountability Ratings may be used by the OST Office to determine ongoing funding. Ratings fall within four categories, as follows (subject to updates/changes):

<b>Accountability Rating</b>	<b>Score</b>	<b>Defined As</b>
<b>Performing</b>	90% or greater	The OST grant-funded program meets a satisfactory proportion of the accountability measures outlined in the OST grant agreement.
<b>Emerging</b>	80-89%	The OST grant-funded program is getting close to meeting a satisfactory proportion of the accountability measures outlined in the OST grant agreement.
<b>Progressing</b>	70-79%	The OST grant-funded program is exhibiting progress towards meeting a satisfactory proportion of the accountability measures outlined in the OST grant agreement.
<b>Under Performing</b>	60-69%	The OST grant-funded program is not exhibiting sufficient progress towards meeting a satisfactory proportion of the accountability measures outlined in the OST grant agreement.

### Accountability Review Notices

The OST Office will send a detailed Accountability Review Notice to each grantee, identifying the grantee's Accountability Rating at the end of each grant program period. For Year-round grantees, the assigned GMS sends preliminary notices at the end of the school year and a final notice at the end of the summer program period.

The OST Office's assigned GMS will meet with individual grantees to discuss their Accountability Review, at the request of the OST Office grantee.

## DATA MANAGEMENT

## Appendix 1: FERPA & Youth Survey Consent Templates

### SAMPLE TEMPLATE: Family Educational Rights and Privacy Act (FERPA) Consent

Dear Parents/Guardians,

\_\_\_\_\_ (Grantee Name) is funded by the Office of Out of School Time Grants and Youth Outcomes (OST Office), a DC government agency. As a grantee, we are required to share participant information with the OST Office that may be collected on the enrollment form such as full name, date of birth, school name, demographics, and age.

In an effort to serve your child better in our afterschool program, and to ensure that the program meets your child's academic needs, \_\_\_\_\_ (Grantee Name) would like to receive copies of certain educational records related to your child that would help us to tailor the afterschool program to meet your child's needs, further cultivate his/her strengths and identify and develop areas where s/he is in need of improvement. Under the Family Educational Rights and Privacy Act (FERPA), you must first provide your consent before DCPS, the Office of the State Superintendent (OSSE), or your child's school can share your child's education records with our organization.

I (parent/guardian name) \_\_\_\_\_ hereby authorize and consent DCPS Office of the Chief of Staff, Office of the State Superintendent, or \_\_\_\_\_ (Name of School) to provide information concerning the education of my child, \_\_\_\_\_ (Name of Child), to \_\_\_\_\_ (Grantee Name) and the DC Office of Out of School Time Grants and Youth Outcomes (OST Office). I further authorize the release of educational records of my child for the current school year to the parties listed above that include the following information: education transcripts, school/program enrollment information, universal student ID, address, demographic data, attendance data, credit history, grades, assessment data, IEP information, and graduation attainment (12th grade only). This authorization and release shall remain in effect for one calendar year from the date of signature.

By signing below, 1) I acknowledge and understand that I have the opportunity to review the records to be disclosed and the right to challenge the contents of such records, and 2) I am at least 18 years of age; and 3) I am signing this document on behalf of my child because he/she is not 18 years of age.

### FBI Background Check

This background check must be completed every two (2) years.

Live Scan is the preferred method for FBI background check submission. A Live Scan is when fingerprints are scanned electronically instead of imprinted on ink first. Results are returned via email typically within twenty-four (24) hours.

Visit [www.nsopw.gov/Home](http://www.nsopw.gov/Home) to conduct a search by name across all jurisdictions. The results from the website page showing “no results found” for the personnel should be printed or pdf and uploaded into Cityspan. If several states or jurisdictions are unavailable or offline, then the search should be completed at a later time when all jurisdictions are available. If similar or identical names are found, by uploading the results into Cityspan, the Grantee verifies that the individual the search was conducted on behalf of was not identified in the search.
